

**Pay-By-Plate Account(s) contain the following features:**

- No transponder required
- Valid credit card on file is required
- Only applies to Maryland toll facilities
- No prepaid account balance is required

Pay-By-Plate tolls are automatically billed to your credit card as you use Maryland Transportation Authority (“MDTA”) toll facilities, with no need for a transponder in your vehicle. Each time you travel through a participating Maryland toll facility a camera takes a photo of your registered license plate on file. The DriveEzMD system then charges the toll to the credit card associated with your Pay-By-Plate account, as long as the vehicle’s license plate is also associated to your account at the time of travel. No account balance is required.

As a DriveEzMD Pay-By-Plate customer, you are signing up for an account that must have a valid credit card on file before you travel. You are responsible for keeping your account information up to date. If you do not have a valid credit card on file, you will incur video tolls, which are billed at a higher rate. Video tolls are billed via a Notice of Toll(s) Due (Invoice) mailed to the registered owner of the vehicle in accordance with Maryland law. In order to receive the lowest toll rates, please sign up for an E-ZPass Maryland Account.

## IMPORTANT INFORMATION

Account updates and inquiries may be made at DriveEzMD.com, by phone at 1-888-321-6824, or by visiting an E-ZPass Maryland Customer Service Center to:

- Review account information regularly
- Update vehicle and payment information to prevent unpaid tolls and fees
- Update your address, email and cell phone information to ensure that mailings and other communications reach you

For E-ZPass Maryland Customer Service Center hours and locations, visit the website or call the Customer Information Center number at 1-888-321-6824.

Please note terms & conditions regarding E-ZPass transponders do not apply to Pay-By- Plate Accounts.
